

DIGESTIVE SUPPORT | SUPPLEMENTS AND NUTRITION

DigestZen TerraZyme®

DigestZen TerraZyme® Digestive Enzyme Complex is a proprietary blend of active whole-food enzymes and supporting cofactors that are often deficient in cooked, processed, and preservative-laden foods.

This powerful combination of digestive enzymes supports the body's constant production of enzymes critical for healthy biochemical functions, including healthy digestion and metabolism.

Dosage: Take one to three vegetable capsules with meals throughout the day.

DigestZen® Digestive Blend

DigestZen digestive blend is well known for its ability to aid in digestion, soothe occasional stomach upset, and maintain overall digestive health when taken internally. It's a healthy, natural, and gentle way to soothe an upset stomach or maintain a healthy digestive system.

Add to water or tea to maintain a healthy gastrointestinal tract. Use three to four drops in the diffuser of your choice. Or dilute with fractionated coconut oil and rub on the stomach area for relief.

If preferred, **DigestZen softgels** are a convenient and easy way to obtain the benefits of the proprietary DigestZen essential oil blend.

HCL – Betaine Hydrochloride

Premier Betaine HCL by Premier Research Labs provides superior digestive support and promotes whole body detox with live-source, beet-derived betaine hydrochloric acid. It is also designed to help the body absorb nutrients, especially calcium, phosphorous, protein, B12 and iron. This product is enhanced when combined with the HCL Activator. Dosage: Take 1-2 capsules after each meal, especially after cooked meals.

HCL Activator

Premier HCL Activator is designed for use with betaine HCL (hydrochloride) to nutritionally enhance its capacity and support its role in whole body health. Dosage: Take 1-2 capsules after meals with the Betaine HCL.

Catalyst-U

Catalyst-U by Energetix provides protease-free enzyme support to help maintain normal digestive function for individuals with occasional digestive sensitivity. With an herbal base, Catalyst-U helps maintain normal digestive function. As a dietary supplement take 1 capsule, 3 times daily with meals, or as directed.

Catalyst-7

Catalyst-7 by Energetix provides highly-concentrated digestive enzymes and a blend of herbs to help maintain normal digestive function. This formula contains herbs that specifically assist with the normal function of the stomach. As a dietary supplement, take 2 capsules with meals or as directed.

Premier Digest

Premier Digest by Premier Research Labs is a full-spectrum enzyme formula for digestive support and cleansing. Complete, active enzyme formula. Made with 100% vegetable capsules with no added magnesium stearate. Take 1 capsule, 3 times daily with meals.
