

Dental Infection Support

Core Berberine Blend | Anti-Bacterial Action

Core Berberine Blend is a botanical blend formulated to help maintain immune system function, healthy inflammation response, blood glucose levels already in the normal range, digestive health (liver, gallbladder, and intestines), lipid metabolism, healthy biliary function, and microbial balance.

Phytonutrients are found in Core Berberine Blend through ingredients that share key bioactive compounds—especially the isoquinoline alkaloid berberine.

Instructions for Use:

1. Preparation: Shake the bottle well before use.
2. Dosage for Regular Use: Take half a dropper of Core Berberine Blend 3 to 4 times a day. Mix it with 4 ounces of water or juice for easier consumption. Alternatively, you can take it directly on the tongue, although it may have an unpleasant taste.
3. Dosage for Intensive Use: If needed for swelling, take half a dropper every 15 minutes to 1 hour.
4. Treatment Period: Begin using the product as directed or start three days before any scheduled treatment and continue for up to 72 hours during the healing process.
5. Additional Note: Each time you take Core Berberine Blend, also take Drainage-Tone as directed to support the treatment.

Core Olive Leaf | Anti-Bacterial Action

Core Olive Leaf is a spagyrically processed botanical extract of *Olea europaea* leaf that offers multi-faceted systemic support for normal immune function, a balanced microbiome, intestinal epithelial integrity, and normal cardiovascular function.

Instructions for Use:

1. Preparation: Shake the bottle well before use.
2. Dosage for Regular Use: Take half a dropper of Core Olive Leaf 3 to 4 times a day. Mix it with 4 ounces of water or juice for easier consumption. Alternatively, you can take it directly on the tongue, although it may have an unpleasant taste.
3. Dosage for Intensive Use: If needed for swelling, take half a dropper every 15 minutes to 1 hour.

4. Treatment Period: Begin using the product as directed or start three days before any scheduled treatment and continue for up to 72 hours during the healing process.
5. Additional Note: Each time you take Core Olive Leaf, also take Drainage-Tone as directed to support the treatment.

Drainage-Tone | Lymphatic Drainage

Drainage-Tone is a homeopathic combination formula for a broad range of symptoms related to congestion of the body's drainage pathways.

In a healthy state, the drainage pathways are open and operative allowing waste products, both endogenous and exogenous, to be excreted.

Drainage pathways are present in every system, organ, and cell in the body.

Instructions for Use:

1. Preparation: Gently tap the bottle against the palm of your hand 10 times. This activates the homeopathic properties of the solution.
2. Dosage: Take half a dropper of Drainage-Tone and squirt it under your tongue. Hold the solution under your tongue for 30 seconds before swallowing.
3. Use this product 3 to 4 times daily or as directed.
4. Complementary Products: Each time you take Drainage-Tone, you should also take the Core Berberine Blend and/or the Core Olive Leaf, following their respective instructions, to optimize healing support.
